### **III. DRAWING REQUIREMENTS**

#### **A. Drawing Personnel**

1. The following personnel will be involved in the conduct of the Hoosier Lottery's "NASCAR Nextel Cup" second chance drawings:

Drawing Manager - A Drawing Manager who is an employee of MDI will supervise all activity relative to each drawing.

Drawing Volunteers - The Drawing Manager will designate individuals who will serve as Drawing Volunteers to conduct the drawings as outlined in the procedures. These individuals may be, but do not necessarily have to be, employees of MDI.

Drawing Witness - An individual representing an independent CPA firm will witness all drawings and will certify that drawing procedures were followed by signature on a drawing report to be provided by the CPA firm. Any deviations from the drawing procedures will also be noted and explained on the drawing form.

Other Witnesses - Any individual who desires to witness a drawing will be permitted to do so. These witnesses will serve no official purpose in a drawing and will not sign the drawing report.

**B. Drawing Location**

1. All second-chance drawings in the Hoosier Lottery "NASCAR Nextel Cup" promotion will take place at the offices of MDI, located at 1500 Bluegrass Lakes Parkway, Alpharetta, GA 30004.
2. With the written consent of the Hoosier Lottery, any drawing may be held at another location mutually agreeable to MDI and the Hoosier Lottery.

**C. Entering the Drawing and Pre-Drawing Activity**

1. Players may enter the drawings by mailing one (1) non-winning "NASCAR Nextel Cup" ticket in an envelope no larger than 9½ x 4½ inches to NASCAR Nextel Cup Drawing, 6302 Illinois Rd, #259, Fort Wayne, Indiana 46804 or by accessing the Lottery's Web site at [www.hoosierlottery.com](http://www.hoosierlottery.com) and entering or joining the Lotto Fun Club and providing, via the NASCAR Nextel Cup EZ ENTRY image, the required player information and the fourteen (14) digit verification number from a non-winning "NASCAR Nextel Cup" ticket. A player participating in the second-chance drawings must provide his/her name and address on the back of each non-winning "NASCAR Nextel Cup" ticket(s) or on each Internet entry. There is no limit on the number of times a player may enter the drawing.
2. **Mail-in Entries:** MDI will arrange, at its expense, for entries submitted by players via the mail to be forwarded to MDI's offices in Georgia, where they will be securely stored until the date of the next drawing. All mail-in entries will arrive in boxes and will be transferred to mail trays, with approximately the same number of entries in each tray, as determined by visual inspection of the Drawing Manager, prior to storage.
3. **Internet Entries:** The database containing the Internet entries will be maintained by The Imarcs Group acting on behalf of the Hoosier Lottery.

The Imarcs Group shall securely maintain such database until the date of each second chance drawing. On each drawing date the entries will be divided into groups (herein "Internet trays") equal to the approximate number of mail-in entries in each mail tray.

4. Each tray of entries, including the Internet trays, will be labeled with a sequential number starting with #1.
5. MDI will keep the Lottery informed weekly as to the total number of mail-in trays filled.

D. Drawing Activity

1. Prior to each drawing, the Drawing Manager shall establish a computer database consisting of a pool of numbers equal to the number of Internet trays and mail trays for that drawing.
2. Using a computer random selection program, the Drawing Manager shall randomly select one (1) number from the pool which number represents the number assigned to a tray of entries.
3. The computer shall automatically record the number before performing another random selection from the pool.
4. The selection process shall be repeated until a total of 600 numbers have been randomly selected by the computer.
5. After 600 numbers have been randomly selected by the computer, the computer shall automatically tally the numbers in sequential order to determine how many entry selections shall be made from each designated tray.
6. The Drawing Volunteer shall then select entries from each tray in numerical order commencing with the tray labeled #1 in the quantities determined in Subsection 5 above. For example, if the #1 is randomly drawn 22 times, 22 entries would be selected from tray #1, if the #2 is randomly drawn 27 times, 27 entries would be selected from tray #2, and so on.
7. **Mail-in Entries:** When selecting from mail trays, the Drawing Volunteer will randomly draw the designated number of entries from the corresponding mail tray. The Drawing Manager or his/her designee shall examine each selected entry to verify it meets the requisite envelope dimensions. Entries failing to meet this requirement will be disqualified, and the Drawing Volunteer will randomly select a new entry from the same mail tray until a qualified entry is drawn. The selected entries shall be maintained in a secure location until the process is completed.
8. **Internet Entries:** When selecting from the Internet trays, a computer random selection program shall pick the designated number of entries from among those in the database for that tray. A mailing label for each selected entry will be produced and placed on a 4 ½" x 9 ½" envelope and secured with the selected mail-in entries.
9. The 600 entries selected in accordance with the foregoing shall be placed in a mixing bin in full view of those assembled at the MDI site.

10. The entries shall then be thoroughly mixed and the Drawing Volunteer shall randomly select one (1) entry for award of the grand prize for that drawing as described more fully below in the "Fulfillment Section."
11. After selecting one (1) grand-prize winner, the Drawing Volunteer will pick 416 entries for award of the merchandise prize packs as described more fully below in the "Fulfillment Section." The Drawing Volunteer will then pick the remaining 183 entries to be used as alternates. Such entries will be used as alternates in the event of the disqualification of any of the entries or in the event selected winners cannot be located or fail to claim their prizes. The alternate entries will be labeled accordingly and will be set aside for safekeeping and used as needed.
12. That will conclude the drawing activity for that drawing and the Drawing Witness will be excused.

#### IV. VALIDATION

1. **Mail-in Entries:** All mail-in entries selected during the drawing will be inspected to ensure that they contain at least one (1) non-winning "NASCAR Nextel Cup" ticket and that the ticket contains the name and address of the entrant. If multiple NASCAR Nextel Cup tickets are included in an envelope, all will be disqualified unless each ticket contains the same entrant information. An entry with a different ticket or an incomplete or illegible name and address shall be disqualified.
2. **Internet Entries:** All Internet entries selected during the drawing will be inspected to ensure that they contain the verification number from a "NASCAR Nextel Cup" ticket and name and address of the entrant. An incomplete entry shall be disqualified.
3. Any disqualified entry shall be replaced with an alternate entry selected during the drawing associated with the date on which the disqualified entry was selected.
4. All Internet entry winners will be notified by e-mail within 48 hours of the completion of the drawings. All Internet entry winners who have not yet sent their winning tickets to MDI will be sent a reminder e-mail 15 days after the initial e-mail notification and a letter via US Mail 30 days after the initial notification. Internet winners will be required to mail the tickets they used to enter the drawing to MDI within 60 days of the drawing. Winners must mail the original tickets. No photocopies, faxes or scanned images of the tickets will be accepted. Upon receipt of the winning tickets, MDI will award the prize to the winner.

#### V. FULFILLMENT

1. **Mail-in Entries:** When all winning mail-in entries have been selected and validated, the prize and mailing information for each will be entered into MDI's winner database and prizes will be fulfilled.

2. **Internet Entries:** When all winning Internet entries have been selected and qualified, the prize and mailing information for each will be entered into MDI's winner database and the Internet winners will be notified by e-mail of their selection and advised to send in the appropriate non-winning ticket to claim the prize. Upon receipt and validation of the non-winning ticket, the prize will be fulfilled.

Upon receipt of the Winner Claim Form, the Lottery shall determine whether the winner owes a debt required to be offset from a prize pursuant to IC 4-30-11-11. If a debt is discovered, the prize will be automatically converted to the cash option and the Lottery will pay the debt up to the value of the grand prize less taxes. After payment of the debt, the Lottery shall forward the cash equal to the balance of the value of the grand prize, if any, to the winner. In such an event, MDI shall not procure a grand prize trip and the Lottery will not be charged for said trip.

The grand-prize winner will have until from one (1) year from the date of the drawing to take the trip. The winner and his/her guest must travel together.   - iv. In the event that an Internet winner fails to forward his or her non-winning ticket and claim a prize, MDI will make all reasonable efforts to re-contact the winner, secure the non-winning ticket and
